

# Heriot-Watt University, Quality Enhancement and Standards Review (QESR)

## Action Plan

This Action Plan summarises the response from Heriot-Watt University to the two formal recommendations emerging from the University's Quality Enhancement and Standards Review (QESR), which took place on 29-30 April 2024. An additional Action Plan provides a summary of actions being taken in response to all issues identified in the [QESR Report](#) and by the University in its QESR preparations. Progress towards the Action Plan is monitored jointly by the University Committee for Quality and Standards and the University Committee for Learning and Teaching.

Recommendation	Action	Responsible Person/Group	Status and Notes	Timescale	
1.1 External Examiner Reports: Awareness of, and Availability to, Students	<b>Recommendation 1: Students the QESR team met were unaware of external examiner reports and how to access them The University should review its processes to ensure that external examiner reports are easily and routinely made available to students, including those who do not hold representative roles.</b>				
	1.1.1	<ul style="list-style-type: none"> <li>Develop a student-focused infographic illustrating all the forms of externality (incl ExEx Reports) which informs programmes. Publish and promote at multiple levels, incl. Portal, Canvas and local sites, and include in student induction</li> </ul>	AQ, SESG, UCQS	In progress – infographic produced and to be disseminated for use by Schools from end of Sept 24	September 2024
